CE.3B

We are not small
and we are not tall
We are strong
And that is not wrong

People think of us as weak
and as slaves

But we are creative and
Brave

Just because we are
Diffrent

Doesnt mean we are not
important

We are Gods children
So we pray for no war
or famine

People think we have
small expectations but
our word will
spread against nations

Forgive us for what we are
not who we are, but not
yet not look at us from afar

Change is

I'm not perfect

It's ok to be loud

Change is

I don't need you

I believe in my dream

Change is

I will not back down
I refuse to be afraid

Change is
