

For this project follow all instructions and the project must be complete. This project is due no later than March 26 (even) March 27 (odd) 2020. This is an out of class project and will count as a test grade. You may hand your project in early for up to a max of 5 points of extra credit. NO LATE PROJECTS WILL BE ACCEPTED.

1. Using the internet and the climate graph template you are to use all of the following climate zones and create a climate graph for each zone. You will also give a description of each climate zone and List at least 5 plants and 5 animals that live in each zone. In addition, you are to explain how the following factors affect climate: Altitude, Topography, Latitude and Continental placement. List your sources of Information on your graph.

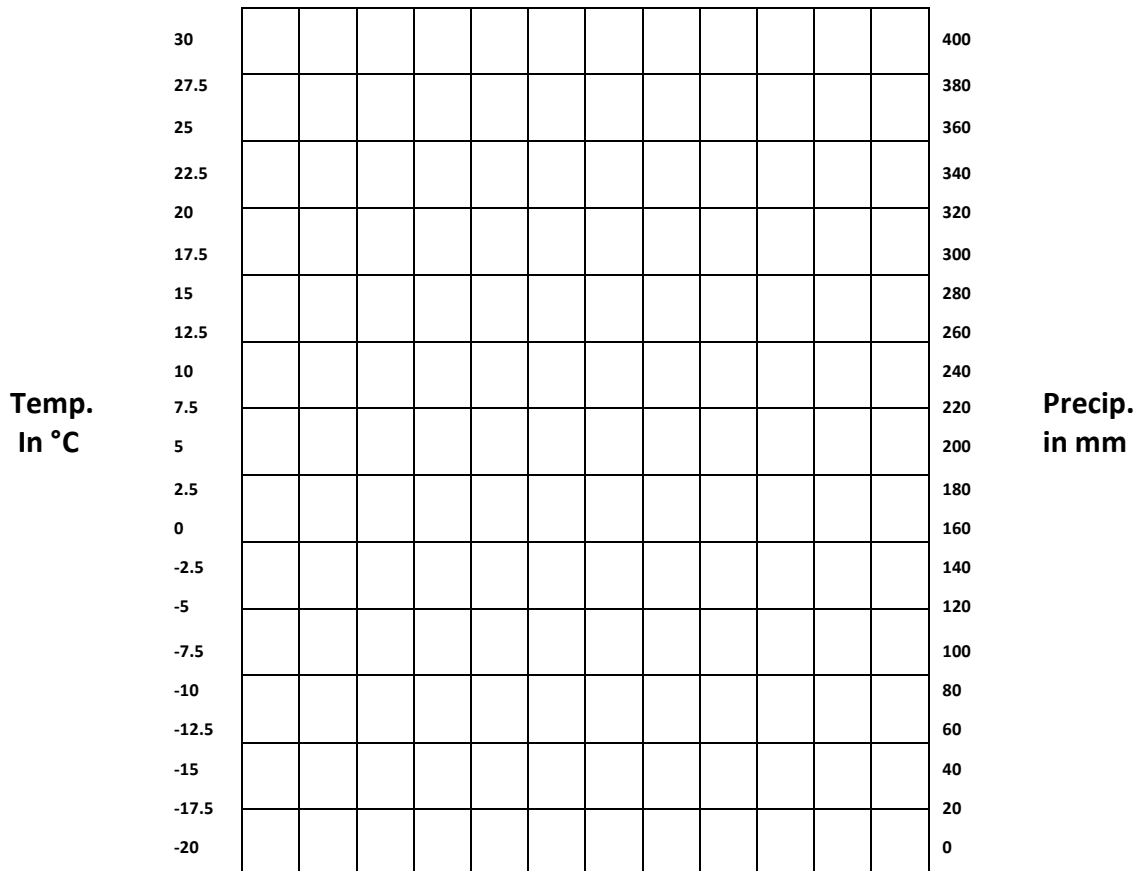

Climate Zones

1. Tropical Humid
2. Tropical Wet & Dry
3. Arid (Desert)
4. Semiarid
5. Mediterranean
6. Marine West Coast
7. Humid Subtropical
8. Humid Continental
9. Subarctic

Climate Graph

Month	J	F	M	A	M	J	J	A	S	O	N	D	Year
Temperature (°C)													
Precipitation (mm)													

J F M A M J J A S O N D

Climate Region: _____

City: _____

Average Temperature: _____ C

Temperature Range: (highest to lowest) _____ C

Total Precipitation: _____ cm

Season of Maximum Precipitation: _____

5 plants: _____

5 animals: _____

	Beginning 2	Developing 3	Accomplished 4	Exemplary 5	Score
Information	Little to no information on topic selected. Information is incomplete or incorrect. .	Some information on topic selected. Information is incomplete or incorrect	Information on topic selected. Information is nearly complete with no or few errors. .	Information on topic selected is clear, concise, complete and accurate. .	
Presentation	Presentation does not follow directions. Presentation is incomplete, unorganized and sloppy.	Presentation follows some directions. Presentation is incomplete, unorganized or sloppy.	Presentation follows directions. Presentation is nearly complete, organized and neat.	Presentation follows all directions. Presentation is complete, organized and neat	
Grammar and spelling	Information is misspelled, in pencil, and there are many grammatical errors	Information is misspelled in pencil and there are some grammatical errors.	Information is generally free from misspellings and there are little or no grammatical errors.	Information contains no misspelled words and there are no grammatical errors.	
Sources	Sources are not listed or listed in the correct format.	Some sources are listed but are formatted incorrectly	Most sources are listed and are in the correct format	All sources are clearly listed in the correct format
